

March 20, 2020

Dear SGBC parents and grandparents,

Starting from March 22, SGBC will provide live-streaming worship online only, until further notice. During this period, you may worship with your children at home with the material provided by LifeWay Kids at Home (Gospel Project). LifeWay Kids at Home includes a Bible message video session along with a downloadable activity page and answer sheet.

Each Friday, new **Bible study content** will be available. All you need to do is log in to [Digital Pass](#), and the content will be available for you under the "Watch Now" section. There is no need to enter a redemption code.

Register if you are a new user or log in if you already have an account

Under "Watch Now" section, choose "LifeWay Kids at Home"
Content will be updated every Friday.

For **worship songs**, please search "SGBC Children Worship" on YouTube, or go to the link

Pray with your kids and reassure them that God is still in control. He is much bigger than the Coronavirus!
